# 2024 MEDALLION AWARDS

**YOU'VE DONE GREAT WORK. YOU'VE PUT IN EXTRA HOURS.  
YOU DESERVE TO BE CELEBRATED FOR YOUR ACCOMPLISHMENTS.**

In a time when creativity has been stretched to the limits, it's important to take the time to reflect on your relentless pursuit of excellence. Take some time and show the world the inspirational work you and your team have produced over the past year.

**SPONSORED BY** the National Council for Marketing & Public Relations (NCMPR), the Medallion Awards recognize outstanding achievement in design and communication at community and technical colleges in each of seven districts. It's the only regional competition of its kind that honors excellence exclusively among marketing and public relations professionals at two-year colleges.

### JUDGING

The district Medallion Awards will be judged by a combination of NCMPR peers and industry experts (those in marketing, public relations and communication outside of community colleges) in each of NCMPR's seven districts. (NOTE: NCMPR's national Paragon Awards are judged by outside industry experts.)

### IMPORTANT

NCMPR carefully screens each entry and reserves the right to make adjustments to placement in categories as determined to be in the best interest of those submitting entries and per the contest rules. Please be sure your entries meet all category requirements. Entries that don't meet requirements may be disqualified. Sorry, fees will not be refunded.

**RECOGNIZED AS** the leading professional development organization for two-year college communicators, NCMPR provides regional and national conferences, webinars, a leadership institute, relevant information on emerging marketing and PR trends, and connections to a network of more than 1,700 colleagues across the country. NCMPR is an affiliate council of the American Association of Community Colleges.

### WHO CAN ENTER

The creative concept must have originated from a community or technical college or district or state governing organization for two-year colleges. Project execution may be the result of collaboration with an outside agency. Entries may **NOT** be submitted through an external agency.

### WHAT TO ENTER

Entries must have been published, broadcast, displayed and/or used between **July 1, 2023** and **June 30, 2024**.

Entries must be **new designs or publications** in the entry year; those that represent previously submitted work with minor modifications will be disqualified.

Entries must be original, creative work **without the use of templates** customized for individual college use.

A contestant may submit as many entries in each category as desired. **The same entry may not be submitted in two separate categories** except as noted.

It is highly recommended that any entry submission that includes a video **should include closed captioning**. Including this feature will make for a more accessible video experience.
